

RUGBY BOROUGH COUNCIL

JOB PROFILE

Post No.**Post Title:** Senior Project Manager**Unit/Team:** Transformation change unit**Grade:** Grade H**Service:** Property Services**Reports to:** Property Manager**Issue Date:** August 2022

PURPOSE OF THE JOB

To take responsibility for the delivery of the programme of major construction and property related projects in accordance with the Councils Asset Management Strategy and to the Councils required quality standard, delivery timescales, and agreed costs.

To manage and co-ordinate individual project teams in accordance with the values and aims of the council under the direction of the Property Manager.

To deliver projects falling into various use classes including private housing, social housing, buildings used by the public and general commercial schemes.

To manage and help develop the Project Manager and Project Officers and work alongside the Estates Officer, and Programme Lead Officer.

1. ESSENTIAL FUNCTIONS AND RESPONSIBILITIES

- 1.1 To have a commercial approach to projects to achieve best value from the Council land holdings and property Assets.
- 1.2 To be aware and up to date with project management processes, procedures, theories and delivery models.
- 1.3 To appoint and manage external design teams and internal project resources for efficient project delivery within the Councils agreed policy and overall programme.
- 1.4 To design and implement project policies and procedures to suit Council objectives including the design or adaptation of a suite of project documents to support the planning, execution and evaluation of projects.
- 1.5 To prepare and undertake project feasibilities, project Initiation documents, project briefs, option appraisals, project plans, project risk registers and specifications as well as exchanging information to project accountants and assisting in the analysis of financial appraisals.

- 1.6 To co-ordinate internal and external stakeholders to deliver projects in accordance with The Councils requirements.
- 1.7 To work with procurement officers and project teams in the procurement of the range of goods and services required for project delivery including pre-tender expressions of interest, advertisements, and post tender evaluation meetings and analysis.
- 1.8 To ensure high quality contract/consultant management to establish effective relationships including the use of appropriate contracts/procurement methods recording contract meetings and contract feedback all as required for the good management of contractors and consultants.
- 1.9 To manage project risks and set up project records.
- 1.10 To undertake a *lessons learned exercise* for each project to feed into the project evaluation and support future project planning
- 1.11 To Chair and organise project management meetings and attend the Council Asset Management Group
- 1.12 To answer technical queries in and manage a register of these documents.
- 1.13 To ensure that project files and document control procedures are maintained.
- 1.14 Prepare and present data, in various formats, to key stakeholders, including Senior Officers, Elected Members, consultants and contractors.
- 1.15 Liaise and co-ordinate a range of RBC teams, external partners and consultees on project matters
- 1.16 Carry out research where required to support the planning and delivery of projects
- 1.17 Manage dilapidation/condition survey of sites at early stages of any project to record the position of the site before any work takes place.
- 1.18 Liaise with the Contact Centre, Control Centre and Communications Teams to ensure that they are able to respond to enquiries from various stakeholders regarding the status of projects.
- 1.19 Provide the delivery of the tenant and customer liaison function when planning and delivering projects. This will include the required statutory consultation as well as the identification of vulnerabilities and issues that may present a risk to project implementation.
- 1.20 Maintain a complaints and compliments register and advise the Property Manager of any matters of serious complaint in a timely manner
- 1.21 To be up to date with Health and Safety legislation and the implementation of Construction related rules and guidance such as the CDM regulations
